

FUTURISTIX

# Creativity Engineered. Content Crafted.

An AI, Innovation & Digital Transformation partner helping enterprises and governments design, build, and scale intelligent, immersive solutions for the future.

## 01 WHO WE ARE

Founded in 2020, Futuristix is a Sharjah-based innovation studio that turns emerging technology into experiences that educate, engage, and endure. Built on three pillars –**Content, Innovation & Technology** – we deliver end-to-end, from strategy and consultation through to turnkey execution. Realistic, scalable solutions built on value, not novelty
